COSE KITCHEN

Our own designs and favorite finds for the kitchen

Our designs, and the things we love to cook with

Cose Kitchen brings together two kinds of kitchen goods. Some are Cose Nuove's own designs, drawn in-house and brought to life by skilled makers we work with.

Others are favorite kitchen pieces we've picked up from suppliers we've met abroad, the kind of well-made everyday tools we were happy to bring home.

Together they make a small, giftable collection for baking, serving and setting the table.

COSE NUOVE DESIGNS

Drawn by us, engraved in Poland

Our engraved cutting boards, spoons and rolling pins share a family of patterns drawn by Cose Nuove: folk motifs, Nordic animals and holiday designs.

Most patterns come on more than one piece, so boards, spoons and rolling pins pair up easily as gifts.
