MOOMIN × DSIGNHOUSE

Your favorite Moomin character, hand-carved in oak

Moomin and friends, in solid oak

The Moomins were created by Finnish-Swedish author and artist Tove Jansson, whose first Moomin book appeared in 1945. Her round, gentle trolls and their whimsical friends, from kind Moominmamma and dreamy Moomintroll to wandering Snufkin and fearless Little My, have charmed readers of every age for generations.

Danish design studio Dsignhouse brings these characters home as handmade figures in solid, FSC®-certified oak, and the natural grain makes every piece one of a kind. Small enough for a windowsill, desk or bookshelf, they are an easy way to keep Moomin and his friends close by: pick a favorite, or gather the whole family.
