[1]This product does not support a dedicated stylus.
[2] Available time based on Eco Screen Mode, volume 20, HDMI input, power saving mode on, IEC62087 standard video play. Estimated charging time from full discharge is approximately 3hrs in standby mode, and about 3.5hrs in active mode (when USB C charging is not supported). Can be charged by other portable batteries connecting C type port. Available to charge with 45W† PD Battery or 65W† PD adapter.
[3]Fees apply to subscription service.
[4]Samsung Account required for network-based smart services, including streaming apps and other smart features. Separate [connected] computer, mobile or other device may be necessary to create/log into Samsung Account (free to download and create). Without Account login, only external device connections (e.g., via HDMI) and terrestrial/over-the-air TV (only for TVs with tuners) available.
[5]High speed internet connection, additional gaming service subscriptions and compatible controller required.
[6]Super Ultrawide Game View is supported for PC games only. This is feature is only available for ultra wide supported games. Some game titles may not support this function or may be limited to use this feature. Screen resolution change from external device may be required.
[7]Subscriptions may be required for some services. Smart Trainer support devices may vary by country.
