Holiday Safety Tips

Did you know that the holiday season can be dangerous for our furry companions? Dangers include getting lost or ingesting poisons, so here are a few tips to help get through this season safe and sound.

While at home, greet your guests at the door to ensure that no one sneaks past. Resist the temptation to let them out unaccompanied due to weather. Even our older friends have the gift of disappearing in just a single unfocused moment.

Be sure they have a tag with your current contact information. If they are micro-chipped, ensure that the company's database has your current information.

To help prevent poisonings, be mindful where you place your holiday plants. Holly, ivy, mistletoe, poinsettias, and lilies are all toxic to various degrees. If your furry friend ingests these plants, be sure to contact your vet right away.

Other common poisonings come from our favorite holiday foods. Chocolate is a common danger. The darker the chocolate, the more toxic it can be. Also avoid onions, certain mushrooms, grapes, raisins, and macadamia nuts. Don't panic if they eat a small bite from this list, but do contact your vet if they ingest any substantial quantity. Symptoms can vary.

Set ground rules for your holiday guests. Even though a small bite of holiday turkey isn't harmful, if you have 10 guests and each one shares, it's indigestion time!

Training Center

The next round of Pup Pawsitive classes will begin the first week of January. Registration for those classes will open Monday, December 20th. For complete details, please speak with any team member or refer to our Dog Training web page (located on our Services menu).

Freshly Baked Treats

Did you know that Naturally 4 Paw also owns and operates Paws Gourmet Bakery where treats are baked fresh daily right here in Silverdale?

Our mission is to be the healthiest pet bakery in the entire United States and our products are currently distributed in 48 states and two U.S. territories.

In Silverdale, you can find our new rotating product display just inside the main door stocked with freshly baked cakes and cookies. We have multiple recipes that are grain free or have healthy grains, something for every taste bud.

In Poulsbo, you will find our treats on the Treat Bar in the middle of the store. Check out our whimsical decorated treats, found in the bakery case located between the check-out counters in both locations.

Customer Appreciation Orders

We would like to issue one more round of heartfelt gratitude for being voted the Best Pet Stores in both Central and North Kitsap. We truly have the best customers that a business could ask for. We hope that you took advantage of our Customer Appreciation Sale last month.

If you did place a Customer Appreciation order online, you will be contacted between December 2nd and 11th when your order is ready for pickup or delivery.

Face Covering Reminder

Flu season is upon us, and a new variant of the coronavirus is making the rounds. We continue to be open for business and services are unaffected. We are strictly following CDC protocols and all visitors are required to wear a cloth face covering. While we understand that some individuals may have medical conditions that prevent the use of face coverings, we are offering accommodations via our Curbside Pickup and Home Delivery services. You can order online at shop.naturally4paws.com.
