

# GROOMING SERVICES

## GREEN TEA + BERGAMOT BATH

**\$40**

Pamper your pup with a calming green tea + bergamot sudsy bath. We lather your pup to rid them of dirt and smells and then zoom groom brush the shampoo deep into their coat to cleanse and remove excess hair and dead skin.

We rinse, dry (blow-dry if needed for long haired pups), use the furminator brush to remove remaining loose hair, and send your pup home smelling fresh and looking fly.

## SPA MUD DEEP CONDITIONING BATH

**\$50**

Spoil your pup with everything included in the green tea sudsy bath plus our luxurious ten minute deep conditioning spa mud massage treatment.

The spa mud supplies essential minerals that detoxify the skin by exchanging themselves for undesirable smells, impurities, and toxins that create problem skin with vital minerals and hydrating omega oils.
