

August Flyer

Loyalty Program Reminder

We would like to remind everyone that our Pawprints Reward Club has a mobile app that you can download to your smart phone that tracks your purchases and frequent buyer programs! It also displays special sales and promotions that are only advertised to Reward Club members.

Once you download the app, all your Frequent Buyer Cards will be right at your fingertips. You can see when and how each purchase is assigned to a frequent buyer card and when you become eligible for that highly sought after reward bag.

Another great benefit of our loyalty program is that it integrates with our online store. Online purchases will be added to Frequent Buyer Cards automatically and you can redeem reward bags online. Even if you opt not to download the mobile app, you'll be able to check your purchase history and Frequent Buyer Card status simply by logging into our online store.

However, the mobile app will have one advantage not available through our online store, and that is the opportunity to easily save your hard-earned bucks and redeem special manufacturer discounts simply by displaying the offer on your phone to our team member at checkout. Most of the special offers available via the mobile app will only be available to redeem in-store.

A Hot Summer Day

Ever walked by a car on a hot day and spied a cute furry face appearing to be in distress? Even if the windows are cracked, temperatures in vehicles can quickly rise 20 to 40 degrees higher than the outside, leading to brain damage and even death.

Is it okay to dial 911? Yes! This situation is considered "cruelty to animals". According to the Humane Society, the preferred protocol is to call 911. They will dispatch Animal Control Services. Visit www.kitsap911.org for complete details.

Road Trip Safety

Only a few more weeks left to schedule a road trip before its back to school again. Whether squeezing in that last-minute summer getaway, visiting your favorite pet health food store, or heading back to school, make sure you have a method to safely transport your furry companions.

Safety experts all agree that there are basically three ways to safely transport your fur-kids in a vehicle. One option is the traditional travel crate. Option two is a safety restraint harness. The final option is a metal, wire, or mesh pet barrier. The bottom line is that you want to prevent your pet from becoming a projectile in the unfortunate event of an accident.

Each option has its benefits and drawbacks. Crates can provide very secure environments and even double as lodging when on the road but be sure to secure the crate inside the vehicle or you just might wind up with a larger and more dangerous projectile.

Technology has radically advanced the safety restraint harness industry. There are many products available on the market today that can secure your friend inside a vehicle in a variety of ways. We currently offer several pet restraint systems. No matter which one you select, a proper fit is essential to minimize potential injuries.

The final option is a pet barrier system, most commonly used in trucks and SUVs. While these products can keep your furry friend from injuring those in the passenger cabin, they are still subject to being thrown in the event of an accident, or even getting loose if a window were to break out.

With so many options, the key is to find the right combination for you, your pet, and your circumstances. For more detailed online reading, visit the ASPCA website and search for "Road Trip Safety".

Or you can also speak with one of our friendly, knowledgeable store associates!

Locally Made Cat Trees

This month, we focus our spotlight on another local business partner, *Retail Concepts Cat Furniture*. These trees are hand-crafted in Black Diamond, WA, using upcycled cottonwood. These creative perches and scratching areas encourage cat exercise. Cats can sink their claws into soft wood and awaken their instincts. Cats often use scratching posts to express excitement and get a good stretch. Cat furniture that sits near a window and is large enough for the cat to perch, provides entertainment, especially for indoor cats.

We love supporting local companies that help enrich the lives of our furry friends. Right now, our selection of these locally hand-crafted items has never been better. For the entire month of August:

Retail Concepts Cat Trees 15% OFF!

Sale valid 8/1/23 – 8/31/23 on in-stock inventory only. No rainchecks.

Happy Birthday Club

Did you know that members of our Happy Birthday Club get a Birthday Card from Naturally 4 Paws every year for their special day? This card doesn't just wish them a wonderful birthday, bring it on your next visit for 20% off a Birthday Gift and a Free Birthday Treat. Register at naturally4paws.com/birthday-club.

Training Center

The next round of classes starts the week of August 7th for Pup Pawsitive and on August 14th for Guiding Hands. Some classes still have spaces available and registration for all August classes is open.

For complete details on schedules, pricing, class descriptions, and trainer biographies, please refer to our Dog Training web page.
