## Solution Spotlight

Bowel health is one of the most common reasons pet owners take their furry friend to the vet. With this in mind, we wanted to take a moment to talk about the benefits of Probiotics.

Probiotics are living microorganisms that replenish the microflora in the gut and help the GI tract do its job as the body's largest immune barrier. A few of the many benefits to probiotics include:

- Help controlling yeast and skin issues
- Treat diarrhea and constipation
- Reduce stool odor and bad breath
- Reduce excess gas
- Maximize nutrient absorption
- Boost the immune system
- ...and so much more.

Not all probiotic products are created equal. Research shows that the more strains available in the bottle, the more effective the product will be. Potency is also important, the more microorganisms per dose, the higher the efficacy.

Need help selecting the best solution for your pet? It can be confusing, so stop by either store location. Our Store Associates are happy to answer questions about the different probiotic options available at Naturally 4 Paws.

## Rally Fun Match

*Sunday, March 3<sup>rd</sup>*

12:00 – 4:00 pm

Silverdale Training Center

A Fun Match is the perfect opportunity for you and your canine friend to test acquired skills without the pressure of a live show.

All levels welcome. Entry fee is \$15 and provides two complete course runs.

Even if you don't want to compete, it's a fun sport that enhances that special bond with your furry friend. New group Rally classes start every 6-8 weeks.

## Welcome Spring!

The Spring Equinox brings little signs of new life from our plant allies. Spring is often a time when eating patterns shift, making this a perfect time to introduce new variety to your pet's diet.

Green JuJu Blends are a great nutrition booster, they are made from a variety of fresh greens and berries that most dogs just love. Best of all, Green JuJu is a Seattle company! You can find their blends in the freezer sections at both locations. You could also use this opportunity to introduce a raw turkey neck or other raw bone for your companion to chew on while they supervise your Spring cleaning or gardening activities.

## Spring Cleaning Sale

For the chic pet, spring is when they shed their winter coats and sweaters in favor of lighter and brighter fabrics. Pet apparel designers are just like their human counterparts... styles change every year.

Spring is also all about cleaning and making things fresh, so don't miss your chance to stock up on your favorite cleaning and grooming supplies.
