Rewards Club Offers

Did you know that our customer loyalty program (the Pawprints Reward Club) has many aspects? Are you a member? In addition to frequent buyer rewards, a less widely advertised benefit is a monthly rotation of money saving offers available through our partnership with Astro Loyalty

While many of the offers are automatically applied during the checkout process (mostly those involving food products) some of them require that you display or mention the offer. How do you display an offer? With our customized Astro Loyalty app, available for Android and iPhone. To download, use these handy QR codes:

When you download our app, you can track your frequent buyer purchases and be the first to know what monthly promotions are available to help save you money.

Earth Day – April 22nd

At Naturally 4 Paws, reducing our carbon pawprint is an important goal, which is one reason we invested over \$60,000 in new energy efficient LED lighting at our Silverdale location. Therefore, it feels completely “natural” for us to call attention to this important annual event.

The theme for Earth Day 2024 is *Planet Versus Plastics*, which emphasizes that everyone has the power to make our voices heard through our choices, civic actions, and personal interactions. The goal this year is to generate a 60% reduction of plastic production by the year 2040.

Visit the Earth Day website to learn more about what plastic is doing to our precious Mother Earth. Discover many innovative ways in which we can all help restore our planet every day:

Another way is to support local businesses that are eco-friendly and conscientious about their manufacturing processes, like:

Online Booking

We wanted to take this opportunity and remind everyone that you can book grooming appointments and private training lessons online. No more games of phone tag or waiting for business hours. If you'd like to make an appointment at 1am, simply visit www.naturally4paws.com and look for a “Request appointment” link.

You can also upload a photo of your pet!
