Fetch Beyond the Ball

Saturday, March 1st @ 10:00 a.m. 90 Minutes \$60.00

This workshop is designed to work on your dog's retrieving skills. In dog training, "breaking down" a behavior refers to splitting it into smaller parts and teaching them separately. In this workshop we will "break down" the process of fetching, including getting a dog to place things in their mouth, holding things, and releasing, all on command. We can also troubleshoot issues to retrieve items more consistently.

Challenge Course (ATT Prep)

Saturday, March 1st @ 12:00 p.m. 90 Minutes \$60.00

The ATT is a noncompetitive, pass-fail test that will screen for fear, shyness, inability to recover, and lack of cooperation. Desired traits are that the dog will be emotionally stable, inquisitive, appropriately social, biddable, and recovers from a startling situation in a reasonable amount of time. We will be challenging the elements that make up the ATT test, helping dogs overcome their fears to build confidence.

Have you obtained your Canine Good Citizen certificate and are interested in obtaining the Community K9 or Your Urban CGC titles? If so, then this course is for you. Saturday, March 29th @ 10:00 a.m. 90 Minutes \$60.00

Have you heard about the sport of dog dancing? Here is your chance to see what the "hoopla" is all about. Learn some moves that you can piece together to build a canine dance of your own.
