Save The Earth!

It's the only planet with Dogs & Cats!

At Naturally 4 Paws (& Paws Gourmet Bakery), reducing our carbon pawprint is an important shared goal. Therefore, it feels completely “natural” for us to call attention to this important annual event.

The theme for this year's Earth Day is **Our Power, Our Planet**. This emphasizes that environmental progress is driven by community action, daily efforts, and collective power, rather than just political administration, focusing on sustainable actions to protect local communities.

Discover innovative ways in which we can all participate to help our planet. Visit their website to find an event, register your event, or access dozens of resources at:
