Silverdale Training Center

As part of our Customer Appreciation Weekend event, our trainers have invited several local artists who create pet-related items to our second Pet Craft Fair. Leather crafters, potters, jewelry makers, and many others will have booths in our Silverdale Training Center all weekend.

Their handcrafted items would make extraordinary gifts for other pet lovers (or you could spoil yourself). Don't miss this unique event and an opportunity to meet and support our local artist community. Do I smell a new annual tradition?

Small Business Saturday

This year our Customer Appreciation Event coincides with Small Business Saturday. In addition to store wide sales, you won't want to miss our Pet Craft Fair and a chance to spin the big Prize Wheel. Save the date - Saturday, November 28th!

New Training Center Floor

This month we have something to be extremely thankful for - our brand-new training center floor will be installed right before Thanksgiving! It's a commercial-grade rubber flooring made especially for training facilities and features a sleek black finish with green speckles. It's thicker than our existing floor and will make it safer and more comfortable for everyone.

But it's more than just a pretty new floor! The non-slip, cushioned surface will provide better traction, reduce stress on joints, and help absorb the impact and noise of all those enthusiastic paws. Plus, it's made with recycled rubber, making it a more environmentally friendly choice. We can't wait for our students (and their humans!) to try it out!

Training Center

Our next group class sessions will begin in January. The 2027 schedule will be published on December 1st with registrations opening on December 8th. Don't forget you can now register online for all group training classes!

Please note that both locations will be closed on Thursday, November 26th so our team can celebrate with families.
