Birthday Sale **15% Off Everything!** **June 26 - 27th**

Our online sale will be a "Pre-Book" Sale, which means that any item purchased on our website on June 26th or June 27th will not be available for immediate pickup.

Important Note: All items ordered online during our birthday sale will only be available for pickup or delivery between July 1st – 15th. Online customers will be notified when their order is complete and ready during this time. This allows us to fulfill more orders and reduce the possibility for out-of-stock items. Any manufacturer or distributor out-of-stocks will be canceled and refunds issued on or before July 15th.

When you order online, you can opt for In-Store Pickup or Home Delivery and will be asked to select your store location. In-Store Pickup is always free and Home Delivery service is available to any Kitsap County address for only \$10. If your total purchase is \$100 or more, delivery is free!

Birthday Sale **15% Off Everything!** **June 26 - 27th**

On June 24th, your favorite pet destination turns 15! On this birthday we are celebrating the light at the end of the tunnel and are thrilled we can now allow vaccinated guests to shop without masks. Although we have recently amended our in-store mask mandate, we are not quite ready to host one of our popular (and crowded) in-store social events.

Provided that Kitsap County continues to be in Phase 3 on June 26th, we will be honoring our birthday sale both in-store and online, with a couple of very important distinctions. Phase 3 occupancy restrictions currently limits the number of in-store customers in our Silverdale location to 48, while Poulsbo is limited to 19. Our in-store sale is limited to stock on hand. No rainchecks provided.

If Kitsap County is in Phase 2 on June 26th, our in-store sale will be canceled but our online store will remain in effect.

In-store Mask Policy Update

On May 21st, Washington State released new face covering guidelines to be more in line with recent CDC guidelines. We are now happy to welcome fully vaccinated guests to shop in-store without masks. The CDC definition for "fully vaccinated" is at least two weeks after the final dose.

These guidelines also allow any member of our team who is fully vaccinated to discard their mask as well. All other safety measures (increased cleaning, counter shields, revised traffic flows, closed restrooms, etc) will remain in effect.

We do require all unvaccinated guests to continue wearing masks and practice social distancing to protect our community.

Self-Serve Bathing Facility

We have encountered a slight delay in the acquisition of supplies required to open our self-serve tubs. Due to a world-wide shortage on rubber products, the shipment of our new tub mats has been delayed until June 8th. As soon as they arrive, we can start accepting appointments.

Online Appointment Booking

The initial test phase of our new online appointment booking is underway. You can view appointment availability and make requests for private training lessons and canine massage therapy sessions online, all from the comfort of your personal device. Online booking of our self-serve tubs will begin as soon as our new tub mats arrive.

You can access our online booking system by clicking on our "Services" menu and selecting "Appointment Requests".

The next round for all training classes will begin July 8th – 14th. Registration opens for all classes on Monday, June 7th.
