PARTNER NETWORK — SHACK15

shack15.com/partners

A Global Network of Partners

SHACK15 partners with top-tier entrepreneurship hubs in key cities around the world. The aim is to create a global network of hubs who share the same values and benefit from the strength of a global entrepreneurial community.

MEMBER BENEFITS

Members of the SHACK15 community receive access to partner locations through a complimentary visitor pass valid for five days at any global partner hub. The arrangement operates on reciprocal terms, welcoming members from partner communities to access SHACK15 on similar terms.

HOW TO ACCESS

To arrange a visitor pass, members should contact their local hub's community team or reach out to SHACK15 directly at info@shack15.com at least seven days prior to visiting. Partner hub reservations are subject to availability.

PARTNER NETWORK

The partner page lists 30+ partner organizations globally, including facilities such as Betahaus, Norrsken, Lab Miami, Factory Berlin, and others spanning multiple continents and entrepreneurial ecosystems.
