Pet Contract

We extend a warm welcome to you and your family, including your cherished pet(s)!

Most of our properties are in the midst of nature, which is why you and your pets chose us 🙂. While we would love for your pet to enjoy the outdoors, a few Do's and Dont's to make this an enjoyable and safe experience for your pet, you, and us:

1. Avoid letting your pet explore the outside areas unsupervised and especially in the dark. There may be snakes, scorpions, rats, or other creepy crawlies or visitors like monkeys, stray dogs, etc.

2. Be aware if your pet is allergic to grass, or pollen and take precautions accordingly.

3. We love for your furry baby to run and roll in the lawns and outdoors. Please do ensure, however, their paws and fur are properly washed and cleaned before letting them in the house/ immediately on entry into the house

4. Please restrict/disallow having your pets climb on sofas and beds. Guests after you may be allergic to pet hair.

5. Our staff can make simple, freshly cooked pet meals. Do give clear instructions to our staff for your pet's dietary requirements and eating timings, well in advance. Ensure you clarify regarding salt, spices, portion sizes, etc.

6. Please carry all your pets medicines, and toiletries. We do not stock any and there may not be any available in close vicinity of the property.

7. Whilst our staff has been trained to be around pets, please be sensitive to the fact that not everyone is as comfortable as you are around them. So if some of the staff request you to keep your pet on leash for certain periods of the day/ areas in the property, kindly oblige so they can carry on their duties.

8. Not all properties allow pets in pool. Please check in advance on the same and respect the rules.

9. Lastly, it would make us very happy to know if your pet has had a great time. Show us some love by sharing photos and videos of you with your pets at our property on Real Moments (You can share the pictures and videos captured while your stay at SaffronStays on the Real Moments link you receive on your registered number upon check-out)

10. Do share your feedback if we could do more to improve on our pet stays and share your review with us on the review link you receive on your registered number upon check-out. We will try and work on the same.
