

FXPro Broker Rebate Rates

Standard Account

Receives 28% of the spread based on the orders you open and close.

Raw+ & Elite Accounts

For other instruments such as Metals / Spot Energies / Futures / Indices / Stocks / Cryptocurrencies, a fixed commission of 31.5% of the spread is applied.

Forex Majors

Calculated according to the commission rate for each currency pair specified in the table, using the following formula:

Lot size × Commission rate × Pip value ÷ Market Price

Rebate Table for MT4 Pro, MT4 Raw Plus, MT5 Raw Plus, MT4 Elite, and MT5 Elite Accounts
Commission rates for CFDs on Forex currency pairs

Instrument	Commission in pips per 1 closed lot	Instrument	Commission in pips per 1 closed lot	Instrument	Commission in pips per 1 closed lot
