

Advancing Perinatal Mental Health

Each author who is registered as part of a Symposium will receive 2 informative e-mails:

1. The first email is for activating your user on the platform.
2. The second one will give you the link to your abstract page.

Just click on the link to set the password of your new user.

We recommend that you write down your password in a safe place, as you will need it to access with your user.

You will receive an email, in order to activate your user:

Hello John Doe,
You are receiving this email because you have been registered in Eira. In the following link you can set your password.

The screenshot shows a 'Password reset' form with the following elements:

- A header bar labeled 'Password reset'.
- An input field containing the email address 'johndoe@replyloop.com'.
- Two input fields for password creation: 'New password' and 'Repeat new password'.
- A dark blue button labeled 'Reset password'.

Red arrows point from the text annotations to the corresponding form elements:

- An arrow points from 'Your email will be indicated in this window.' to the email input field.
- An arrow points from 'Introduce a password for your user' to the 'New password' input field.
- An arrow points from 'Confirm your password' to the 'Repeat new password' input field.
