Membership Information
AIM: To promote running, jogging, walking and an active lifestyle through weekly training sessions, club runs, races & major events.
Our membership covers competitors of all ages and abilities from people who simply enjoy running, walking and keeping fit, to many of Townsville's top runners.
Everyone regardless of age and ability is catered for and welcome.

ROAD SAFETY: Give way to all traffic & obey all traffic rules.

NOTE TO ALL PARTICIPANTS: You don't have to complete the course and you are welcome to shorten it or return to the start early. If you haven't completed the designated course or are a walker, please don't cross the finish line and let the recorders know you've returned. If completing the designated course, all participants must finish the race by crossing the line once only.

GENERAL INFORMATION: Runs are held all year long. The running season where places and times are recorded starts in March and finishes in October. The offseason is from October to February when untimed runs are held for fun, fitness and friendship.
Other information will be shared via our e-newsletter and through our social media. Please ensure you connect with these channels via our website and social media pages.

To **register** for TRR runs: <https://www.revolutionise.com.au/townsvilleroadrunner/events/>

All participants and members are encouraged to **volunteer** at least twice per year at Saturday morning runs. Jobs include recording, timing, set up before and pack down after the run.
If volunteers are not forthcoming, volunteers may be rostered on at the discretion of the committee.

Weekly training includes long runs, hill runs and track sessions. Weekly updates are posted on our Facebook page and further information can be obtained at our weekly club run Saturday morning.

Race Series:
Club Championship Points – Eligibility is for adult members only based on your best point scoring events (best 15 club point runs or 14 club point runs & 1 volunteer or 13 club point runs & 2 volunteer) commencing when you lodge your membership. Under 18 juniors approved by the President to do the long course will be included in the under 30 age group.
Long course awards apply to the top 3 in each age group. The short course awards are for the first male and female only but may be expanded, depending on participation and interest.

President's Cup (PC) – Highest points after completing all 4 PC races (see calendar **).
