Dinshaw's was established in the year 1932 by Dinshaw and Erachshaw Rana. It started out as a dairy business in Gittikhadan, Nagpur. Their obsession with expanding the business resulted in the birth of "Dinshaw's Ice-cream". By the mid-fifties they decided to extend ice cream eating into the non-summer months and in turn, hand-churners were replaced with vertical freezers Spanning across India, Dinshaw's was a dream come true of two enterprising brothers, Dinshaw's and Erachshaw Rana.

To  
The Principal  
Annasaheb Gundewar College,  
Nagpur, Maharashtra

**Subject: Proposal for Conducting Finance Training Program by GGC's Practical Training Academy**

Dear Sir,

We M/s. Green Growth Consultancy Private Limited popularly known as GGC is a startup duly registered with Central Government via DIPP (Department for Promotion of Industry and Internal Trade).

Our Start Up works for skill development and employment generation in the field of Finance. It gives us immense pride to mention here that our start was selected amongst the top five start ups who were given the unique opportunity to present the start up to the Honorable Prime Minister of India Shri Narendra Modi Ji. Post our presentation to the Honorable PM, we got immense appreciation from him and the PAN India media has covered this.

At the outset we thank you for lending us your precious time and giving us an opportunity to pitch you our concept.

In brief we have explained below the problem statement that our start up is addressing and the solution which we have developed.

**Problem Statement that GGC is addressing:**

In the current scenario, every year lakhs of graduates and post graduates are qualifying in the field of finance courses like B Com, M Com, BBA, MBA etc. But even after such high number of candidate's getting qualified, there is vacancy's in almost all companies for accounts assistants. When these graduates or post graduates go for job interviews in such companies which have vacancies, they don't get selected and the major reason for this is lack of required skills which the employer wants from such accounts assistants.

When GGC analyzed the reason behind this we understood the curriculum designed for these students is lacking the practical aspects which is required in day to day life when they graduate or post graduate and apply for jobs. Things like

- 1) How to Prepare GST Workings and file required GST returns.
- 2) How to Prepare TDS workings and file required TDS returns.
- 3) How to Prepare Income Tax return workings and file ITR.
- 4) How to do Labour Law compliances like EPF and ESIC
- 5) Basic of Word and Excel
- 6) Operating desktop based accounting software like Tally.
- 7) Operating cloudbased accounting software like Zoho.
- 8) Understanding Trial Balance and preparing Balance Sheet and Profit and Loss account based on the TB.

Are not covered in the curriculum of these students and fact is that every employer wants atleast this basic practical knowledge from someone who he is thinking of hiring for an important job like finance assistant or accounts assistant.

So there exists a huge gap between the skill set required or expected from an employer and the existing skill sets of these graduates or post graduates.

All other courses like B Pharma, Engineering, etc has practical training as part of there curriculum. But for an important stream like finance which is the backbone of any country, this concept of practical training during graduation or post-graduation is lagging which is degrading the overall financial scenario.

#### Solution to the Problem Statement:

To address the above-mentioned Problem Statement, under GGC's Practical Training Academy start up, Practicing Chartered Accounts who are considered to be finance experts, have come together and making use of best in class technology they have developed an online training module which any graduates or post graduates can enroll for and get trained by the hands of expert and experience Chartered Accountants. The online training module is a 45 days course covering 8 important topics as mentioned below:

- 1) Understanding of Trial Balance, Balance Sheet and Profit and Loss account.
- 2) Preparation of Income Tax returns and Filing Procedures.
- 3) Preparation of GST Workings and GST Return filing Procedures.
- 4) Preparation of TDS Workings and TDS Return Filing Procedures.
- 5) Cloud Based accounting in Zoho.
- 6) Tally ERP 9 Training.
- 7) Payroll Processing along with Labour Law Compliances.
- 8) Basic of Word and Excel and Training in Email Drafting.

GGC Team experts consists of following Team Members:

- 1) CA Sumit Tajpuriya
- 2) CA Sangram Karwatkar
- 3) CA Vivek Parekh
- 4) CA Laabhesh Savadia
- 5) Kamlesh Surana
- 6) Ritika Tajpuriya ( IIM B NSRCEL GS10k)
- 7) Krishnakant Modi

Technology support is being provided by leading Mumbai Based IT firm.

#### Modus Operandi:

GGC Team of experts have developed content of the training module in such a manner that difficult concepts of Finance are explained in a very simple manner so that any student can understand the practical concept and start implementing the same once placement is done. The training is in the form of pre recorded video lectures which can be viewed multiple times by the candidate for 45 days. Scheduling of video lectures is being done by GGC team in a manner so that better understanding of each and every topic is there for all the candidate's. After each lecture, multiple choice questions (MCQ's) are hosted which the

candidates have to solve after watching a particular topic. Based on how the MCQ's are solved, a live session is hosted every week on Sunday wherein the Training Chartered Accountant faculty solves the doubts raised by the candidates and provide better understanding on a particular topic.

After 45 days of such intensive training, an Eligibility Test (ET) is conducted based on the results of which internship opportunities in CA Firms on a PAN India basis is provided.

GGC online portal help the successful candidates to fetch CA firms nearby there locality and enroll with them for internship which ranges for a period of 2 to 6 months. Post internship, if any CA firm wants to absorb a particular candidate in employment he can do so and the rest of the candidates who are not being employed gets returned to the GGC portal.

These candidates who now come back of the portal, are then placed to industries who are in need of good finance assistants.

Portal Details: [www.virtualggc.com](http://www.virtualggc.com)

App Details: Access to our app can be taken from the above portal post registration.

#### Corporates and CA Firms Empaneled with GGC:

Many Corporates and CA Firms have empaned with GGC to whom GGC is providing duly trained employees and interns. Detail list of empaneled Corporates and CA firm is available on our portal which can be viewed post registration with us.

#### Proposal For Annasaheb Gundewar College Nagpur:

Sir it would be our pleasure to get an opportunity in your college to act as a training partner and pass on the benefit of our venture to your college. We are providing our entire course at Rs. 2499 (Plus GST) to the public in general. But for colleges if we get a bulk crowd of 100 plus students we are providing our training at just Rs. 1000 (plus GST) per student. The training sessions would be conducted in a manner wherein our online training sessions would be conducted daily in the college for maximum 30 mins each day for 45 days. It may be noted that our Winuall App access to all the enrolled candidates of colleges would be provided so that a candidate can have the facility to watch the training session multiple times even at the comforts of his home and get conceptual clarity.

Then once in a week our Chartered Account team would take live online session and solve the doubts of the candidates in a live weekly session. Post 45 days we would conduct an exam at the college and declare results and provide certificates to all the enrolled candidates. Those who score more than 60% marks would even be provided with internship opportunities in CA firms to further enhance their skills.

In case the above proposal suits you we propose to sign an MOU with your esteemed college. Also we can have a free session post signing of MOU so that we can motivate the students of your college to go through such training sessions and develop their skills and the benefits of such skill development would also be communicated to them.

Looking forward to a positive response from your end.

We are attaching herewith a link of demo training sessions for your kind reference.

ITR Demo Session: <https://youtu.be/eL8vv12-Amc>

Cloud based Accounting Demo Session: <https://youtu.be/u-N-DILXVnQ>

Also a link of our website which hosts all the training sessions is also given: [www.virtualggc.com](http://www.virtualggc.com)
