## Strategic Plan

### Academic Session: 23-24

The aim of the college is to provide quality education which could focus on the followings

- ❖ To organize faculty development programmes
- ❖ To promote research activities by publishing research papers in peer-reviewed, UGC-Care listed Journals and journals of international repute i.e. Scopus, Faylor and Francise, Web of Science,
- ❖ Strengthening the mechanism which supports the students. It may include
  - Recognizing diversities in the classrooms and organizing remedial coaching to slow level learners.
  - Providing access, equity and quality in teaching, learning, evaluation and research by promoting inclusive approach.
- ❖ Organizing skill enhancement courses to teaching and non-teaching staff to enhance teaching, learning, evaluation and research skills among the teaching and non-teaching staff.
- ❖ Improving existing physical and academic infrastructure
- ❖ With a view to develop employable and entrepreneurial skills among the students, the college intends to introduce new skill based courses
- ❖ Undertaking activities of construction of new infrastructure to meet the ever-increasing needs of students and teachers
- ❖ Conducting audits which include Green and Clean Audit, Environmental Audit, internal and external financial audit
- ❖ Organizing Extension activities such as NSS Special Camp, Unnat Bharat Abhiyan, Life Long Learning Projects etc.
- ❖ Making MoU's with
  - educational institutions and industries for faculty and students exchange
  - industries for internship and field visits
- ❖ organizing capacity building programmes such as career counseling events or programmes and recruitment drives, skill enhancement programmes etc.

**Supervising the Strategic Plan:**

The strategic plan, prepared above, shall be supervised by the IQAC to maintain quality. The IQAC may make appropriate changes when situation demands. The strategic plan is prepared with a view to achieve the goal of the institution. It is the responsibility of various committees to implement the various activities and sub activities, effectively and efficiently, in the plan to achieve the goal of the institution by utilizing the available resources.
