

Annasaheb Gundewar College Nagpur - Students Feedback for Teachers Evaluation [2021-22]

Dear Students

Greetings of the Day!

Annasaheb Gundewar College is constantly working for the all round improvement of teaching and learning process in order to give the maximum benefit of the resources to the students. I am a teacher in Financial Accounting, Statistics & Business mathematics for Undergraduate and Advanced Management Accounting for Post graduate classes. I am putting my every efforts to guide students to prepare them for examination and seeking conceptual knowledge in Accountancy and Statistics. According to me Students are the best evaluators of Teacher and their feedback and suggestions will certainly show the line of action to be carried out for future teaching learning process. Hence this questionnaire is submitted to you to fill and send back to me, which will be confidential and exceptionally used for future planning to improve teaching learning process . This questionnaire is only related with me { Prof Murlidhar K.Wakode} and it is expected to give your feedback and suggestions with free mind to improve myself. I shall carefully evaluate every feedback and use the same to introspect and try to improve on the different areas of Teaching Process. You are requested to submit your feedback before 30th April 2022.

Yours,

Prof Murlidhar Wakode
