

ONLINE: BANNER ADVERTISING

Home Page Banners

Take advantage of the highest-profile spaces on our website with banner ads on our home page. We offer extensive frequency and package discounts (up to 50% savings) to advertisers who order multiple ads or who combine their online advertising with a print or email campaign. Contact Katie Mulqueen, mulqueen@agma.org for a custom quotation that meets your specific marketing goals.

Targeted Keyword Advertising

On powertransmission.com, related content is displayed throughout the site, and that includes advertising. We offer targeted keyword advertising for the following high-volume search terms:

- BEARINGS
- COUPLINGS
- GEARS
- GEAR DRIVES
- MOTORS

When a visitor is on a page related to one of these keywords, whether it's a news item, a technical article or a feature article, your ad can now appear next to this related content. Only three positions are available for each keyword.

Targeted keyword specifications:

- Size: 300 pixels wide x 250 pixels tall
- Image Format: JPG, GIF or PNG only
- Rate: \$525/month per keyword

Sponsored Content (Native Advertising)

In addition to our regular banner ads, we also offer sponsored content (native advertising) opportunities, which are great for your white papers, videos, webinars or other technical content that's suited to our audience.

Sponsored content can appear on our home page (in the featured content slider), in our E-Mail Newsletters (as a featured article), and in our internal site search engine results.

Sponsored Content (Native Advertising) on the *powertransmission.com* HOME PAGE (\$1,095/month)

Place your educational white paper, article or video right on our home page alongside our regular articles.

Your sponsored content will appear in our site search results when visitors are looking for related content. Your sponsored content also comes with automatic lead capture. We'll make sure you know who has looked at your content by asking visitors to fill out a brief form on the way in. (NOTE: Form fields are customizable at no extra charge.)

The screenshot shows a horizontal slider with four featured content items. Each item has a title, a thumbnail image, and a brief description.
