

Gear Expo '91 Opens in Detroit

Kelli R. Hopkins

AGMA's Gear World of Gearing," Cobo Conference &

Detroit, MI. Gear Expo '91 will provide 35,000 square feet of exhibits by 91 companies from around the world.

Products and processes on display include broaching, custom gears, cutting tool, finishing, forging, grinding, heat treating, hobbing, inspection, lubricating, milling, shaping, shaving, and testing.

Show hours are 12:00 p.m. to 6:00 p.m. on Sunday; 10:00 a.m. to 8:00 p.m. on Monday; 9:00 a.m. to

6:00 p.m. on Tuesday; and 12:00 p.m. to 4:00 p.m. on Wednesday.

Once again the AGMA Fall Technical Meeting

will be held in conjunction with Gear Expo. The FTM will be held on Oct. 23-25 at the Westin Hotel, Renaissance Center, a short distance from the Cobo Center. This year's meeting has been expanded to allow for more presentations. The

papers will feature a variety of gearing subjects, including 3-D contact analysis, gear tooth friction, gear stress distribution, oil jet gear lubrication, and low-noise marine gears.

For more information about either Gear Expo '91 or the Fall Technical Meeting, contact AGMA headquarters at (703) 684-0211. ■
