epitome of luxury fans

Catalogue 2026

When art meets function
magic is created

CUSTOMISATION

True luxury is uncompromising. We offer a strictly bespoke experience, tailoring every nuance—from the blade finish and motor housing to the wall controls—to harmonize perfectly with your architectural narrative.
If you can envision it, we will craft it.

Please note that customised products will require 8–10 days after confirmation and are non-returnable. Colors shown in the catalogue are for reference only actual shades may vary due to differences in screen display, print quality, and lighting conditions.

PATENT PENDING

Design Pending No. 503563-001

We have redefined the flush-mount. Through advanced engineering, our fans merge invisibly with the ceiling plane. This innovative recessed system eliminates the need for structural bracing, offering a sophisticated look with effortless installation.

FLUSH MOUNTING SYSTEM

A Statement in Motion

Where masterful engineering meets timeless design, each creation is conceived not merely to per-form-but to elevate the very essence of a space.

We invite you to experience our collection through a series of curated films, capturing the quiet power, fluid motion, and architectural presence of every piece.

SCAN TO ENTER

Discover at your leisure.
Select with intention.
Define your space with distinction.

AERPOINT WARRANTY & SERVICE ASSURANCE

At **Aerpoint**, every fan is a handcrafted blend of artistry and engineering excellence.
Our warranty reflects our commitment to uncompromising quality and long-term performance.

Installation Excellence

To ensure optimal performance and longevity:

- Installation must be carried out only by a **trained and licensed electrician.**
- Failure to comply with professional installation standards will render the warranty void.
- Installation must strictly adhere to Aerpoint's recommended technical guidelines.

Service Protocol

- Aerpoint provides **factory-based service support.** Onsite service is not included under warranty.
- The product must be sent to our authorized service facility for inspection and servicing.
- A valid purchase invoice must be presented to process any warranty claim.

Warranty Exclusions

The warranty does not extend to damages or issues arising from:

- Voltage fluctuations, lightning, or power surges
- Incorrect installation or improper electrical connections
- Over-voltage or unstable power supply
- Water exposure, damp environments, or outdoor installation
- Simultaneous use of automation systems, dimmers, remotes, and regulators
- Installation by unauthorized personnel
- Misuse, negligence, accidental damage, or unauthorized modifications
- Lack of maintenance as per prescribed care instructions
- Burnt motors or motor windings
- Consumable components such as bulbs (LED/CFL), remotes, controllers, and batteries
- Broken glass, damaged blades, scratches, or any physical damage
- Operational wobbling or increase in sound levels

Service & Handling Charges

- Shipping costs for sending the product for service and return dispatch shall be borne by the customer.
- Charges for removal and reinstallation are not covered under warranty.
- Expenses related to special equipment such as ladders, scaffolding, lifts, or similar access tools are not included.

Brand Commitment

Aerpoint's responsibility is limited to:

- Repairing or servicing the defective component; or
- Replacing the specific faulty part, where repair is not feasible.
- The warranty does not cover refunds or replacement of the complete fan unit.

Transit & Delivery Claims

Any concerns regarding:

- Missing components
- Physical damage
- Scratches
- Transit damage
- Product discrepancies

must be reported **within 48 hours of receipt** of the product.
Claims raised beyond this period will not be entertained.

A Promise of Craftsmanship

Every **Aerpoint** creation is designed to elevate refined spaces.
With proper installation and care, your fan will deliver enduring performance and timeless elegance.
