Science - PCM - 79%

2018 - 2020

PROJECTS

StudyBuddy [↗](#)

- Developed a LMS platform using Next.js, Node.js, Express, and MongoDB, ensuring a scalable and secure architecture.
- Implemented user authentication and authorization with NextAuth, supporting role-based access for students and admins.
- Built course management features with creation, enrollment, progress tracking, and dedicated user/admin dashboards.
- Deployed the backend on Heroku and the frontend on Vercel, ensuring optimized performance and global accessibility.

Epichomes [↗](#)

- Built a scalable booking platform using Node.js, Express.js, and MongoDB, ensuring a robust and high-performance backend architecture.
- Implemented user authentication and authorization with Passport.js and Express-Session, providing secure and role-based access control.
- Integrated Cloudinary and Multer to enable seamless image upload and storage, enhancing property listing functionality.
- Incorporated Mapbox API for interactive location-based property search and Stripe for secure and reliable payment processing.
- Deployed the application on Render, ensuring optimized hosting, fast load times, and smooth scalability.

Portfolio Web [↗](#)

- Developed a personal portfolio website using React 18 and Vite, for fast performance and efficient builds.
- Designed a modern, responsive UI with MUI, Tailwind CSS, and Styled Components, ensuring compatibility across devices.
- Implemented interactive animations using Framer Motion, GSAP, and AOS, enhancing overall user engagement and experience.
- Deployed and hosted the application on Firebase, ensuring easy access and continuous availability.

SKILLS

Languages: C/C++, JavaScript, Typescript, Python

Backend: Node.js, Express.js

Frontend: HTML, CSS, React.js, Next.js, Redux, Tailwind, Material UI

Database: MongoDB, MySQL, Postgresql

Tools & Platforms: Git, GitHub, Vs Code, Vercel, Render

CERTIFICATE

Full Stack Development Certification [↗](#)

At PG Technology

LANGUAGE

Hindi, English Advance, Intermediate

AWARD

CodingVista Hackathon IGCE

Secured the winner position in CodingVista, a competitive programming contest.
