About Us....

Proudly operated since 1895, we have prided ourselves in producing quality headwear in addition to having “second-to-none” customer service. Four generations deep of wisdom and experience, we have consistently been able to carry out our legacy, while adapting to necessary changes over the years. Employing artists who love what they do, we take pride in manufacturing every hat & cap that goes through our history-filled Canadian doors!

We thank you for your support throughout the years, and look forward to continuing our exquisite journey together.
