Top Floor Master Bedroom

# Living + Dining

Located on the middle floor of the house with mountain and valley view. Savour an early morning breakfast with a view or a breezy night watching the stars on the spacious attached balcony.

## Lower Level Bedrooms

Two bedrooms situated on the lower floor of the house with walk-in wardrobes, en suite bathrooms with mountain and garden view. Perfect place to wake up to the fresh morning light.

## Guest Review

The house could easily claim to be the closest one to the nature, right in the middle of the lush green trees and as if peeping out of the hill side forest. Thanks to the height of the building the view from the balcony covered the entire valley.
