CHILD DEVELOPMENT CLINIC

Childhood is supposed to be a journey of fun and exploration; but developmental delays can make this journey tough on the children, sometimes leaving behind long-term repercussions.

To address this concern, Kangaroo Care has opened a Child Development Clinic that's open to all children. Our team consists of Developmental Paediatrician, Child Psychologist, Paediatric Physiotherapist, Speech Therapist, Occupational Therapist and supporting staff.

Offerings:

- Preterm Baby Follow-up
- Developmental Delay Check-up
- Support for Autism, Hyper-reactive Child
- & more

Drop by Kangaroo Care on any Wednesday at 9:30 am and unlock your child's potential.
