It's all about Mother & Child

EASE YOUR CHILD'S NUTRITION & DIGESTION

Paediatric Gastroenterology Clinic
Open Wednesdays 2:30 pm – 4:30 pm

PAEDIATRIC GASTROENTEROLOGY CLINIC

Nutritional and digestive problems are difficult to manage, especially so in children. That's why at Kangaroo Care, we have a dedicated Paediatric Gastroenterology Clinic that offers specialized care in problems related to liver, digestive system or any nutritional concerns of your child.

We diagnose:

- Chronic diarrhea or constipation
- Food allergies and reflux
- Bowel disease
- & more

Whether an infant or a growing kid, if your child has any of these problems, bring them to Kangaroo Care from 2:30 pm to 4:30 pm on Wednesday.
