# MONDRIAN

## EVERYTHING HAS LED TO THIS MOMENT

Mondrian was born to be famous, with an origin story that's Hollywood in every sense.

In 1996 the Mondrian brand burst onto the Los Angeles scene, dripping with glamour and quickly became the place for the city's A-list elite to meet and be seen.

Since 2020, Mondrian has been managed by Ennismore, the largest and fastest growing lifestyle hospitality brand, who curate unique properties and experiences in some of the world's most exciting destinations.

**VOGUE**

The promising impression intensified when I reached my accommodation for the coming days, the “Mondrian”. A 5-star hotel whose interior resembles a Jacquemus boutique.

**The Telegraph**

Beachside hotels are surprisingly less common than you'd expect in Ibiza – and those that do exist tend to be big, block hotels of the package holiday variety. The Mondrian (and its sister property, Hyde) is what happens when one of those buildings is given a top-to-bottom renovation: it now has style in spades, plus three pools and seven restaurants

# WHY BRANDED RESIDENCES?

Hospitality branded residences have emerged as the highest-performing asset class within the luxury residential market.

They command higher prices and appreciate faster than comparable non-branded luxury properties, **typically selling for 20%-40% more** than comparable non branded properties and generating higher rental yields according to Knight Frank.

# WHY BRANDED RESIDENCES?

01

## BRAND PRESTIGE AND TRUST

Affiliation with a globally recognized hospitality brand instills confidence in buyers, assuring them of quality, exclusivity, and sophistication.

04

## ATTRACTIVE RENTAL RETURNS

Due to their luxury positioning and comprehensive service offerings, hospitality branded residences are highly sought after by high-net-worth tenants\*.

*\*Footnote: Short term rental of less than 6 months are prohibited at the property under the Governing Documents.*

02

## ENHANCED SERVICES AND AMENITIES

Hospitality branded residences offer an unparalleled lifestyle with hotel-like services delivered by the sector experts making them highly attractive to discerning buyers seeking a seamless and effortless living experience.

05

## BUILT-IN BRAND TRUST AND PRESTIGE

The involvement of a hotel operator as a sector expert in the management and maintenance of the property ensures high standards are maintained, protecting the investment's value over time.

03

## HIGHER RESALE VALUE AND APPRECIATION

Historically, hospitality branded residences have shown higher appreciation and resilience during economic downturns, attracting a strong demand from ultra-high-net-worth individuals and international investors who are less sensitive to market fluctuations.
