LOVED the adventure with VIBIN! Thank you for a memorable getaway! I was visiting India and Meghalaya was on my wish-list. Vibin came through with a personalized unique experience for me where we drove across the beautiful state, stayed at comfortable accommodations, met incredible people and communities along the way and connected with nature and the adventure out there. Thanks Ashu and team for taking care of each and every aspect of this planning. My most memorable was visiting the iconic waterfalls, caves, cliff diving, kayaking and a taste of some of the local foods!

Ashutosh and Prashant, along with their team, went above and beyond to ensure that every aspect of our journey was enjoyable and seamless. Their professionalism, knowledge of the area, and attention to detail were truly commendable.

From exploring the breathtaking landscapes of Kaziranga to marveling at the natural wonders of Shillong and Cherrapunji, every moment was filled with excitement and wonder. The accommodations, transportation, and overall organization exceeded my expectations.

Going on an action packed trip to Meghalaya was no less than a dream to me (been planning for years in my head 😊). Long awaited trip clubbed with amazing tour guides made it just so perfect right from the start till its very end. I highly appreciate the efforts Prashant and Ashutosh had put in to make the entire trip so memorable for us. Good hotel stays, good food, well planned itinerary and always being on toes to ensure our comfort are some of the key highlights of the trip.
