## Secure Cloud Connect

| cloud service provider |   |   |
|------------------------|---|---|
|                        |  |  |
| Service name           | Azure ExpressRoute  | Google Cloud Interconnect   |
| Bandwidth              | 50, 100, 200 en 500 Mb/s<br>1, 2, 5 en 10 Gb/s                                    | 50, 100, 200 en 500 Mb/s<br>1, 2, 5 en 10 Gb/s                                      |
| Service areas          | Western Europe (Amsterdam-1 & Amsterdam-2)  | Amsterdam   |
| Redundancy             | 2 circuits (full redundant)   | 2 circuits (full redundant)   |
| Activation             | Express Route Service Key   | Google pairing keys   |
| Connectivity           | Ethernet L2 (premium EVC)<br>WDM 10 Gb/s  | Ethernet L2 (premium EVC)<br>WDM 10 Gb/s  |

| cloud service provider |   |                               |                               |                               |                               |
|------------------------|---|-------------------------------|-------------------------------|-------------------------------|-------------------------------|
|                        |  |                               |                               |                               |                               |
| Service name           | Hosted Direct Connect -<br>Ierland / Frankfurt                                      | Direct Connect -<br>1G - FRA  | Direct Connect -<br>1G - IRE  | Direct Connect -<br>10G - FRA | Direct Connect -<br>10G - IRE |
| Bandwidth              | 50, 100, 200 en<br>500 Mb/s   | 1 Gb/s                        | 1 Gb/s                        | 10 Gb/s                       | 10 Gb/s                       |
| Service areas          | Frankfurt / Ierland   | Frankfurt                     | Ierland                       | Frankfurt                     | Ierland                       |
| Redundancy             | 2 circuit   | 2 circuit<br>(full redundant) | 2 circuit<br>(full redundant) | 2 circuit<br>(full redundant) | 2 circuit<br>(full redundant) |
| Activation             | AWS Account ID  | LOA                           | LOA                           | LOA                           | LOA                           |
| Connectivity           | Ethernet L2<br>(premium EVC)  | Ethernet L2<br>(premium EVC)  | Ethernet L2<br>(premium EVC)  | WDM                           | WDM                           |
