

HOW TO REGISTER

New Account

Open Registration Page

Navigate to:

<https://portal.eurofibercloudinfra.com/>

and click 'Sign up now'

1

2

Enter Your Details

Fill in the required fields.

Note: avoid personal emails. It may cause access or approval delays.

Use your company email address only.

3

Activate Your Account

Within 15 minutes, you will receive an email. Open your inbox and locate the message to activate your account by clicking on the link.

Set Your Password

4

You will be redirected to the password setup page. Enter a secure password. Avoid simple passwords — this is an access point to infrastructure. Combine numbers, upper- and lowercase letters, special symbols to make your password stronger

5

Login to your account

Your account is now active! Go back to the portal and log in using your email and password.
