

HOW TO MANAGE

Organisation

1 Navigate to the Account

In the top navigation bar, click Account. Select Organisation from the list and start managing your organisation details with the following options.

1

2

Notification recipients

Manage who receives email updates about maintenance and downtime.

3

Organisation members

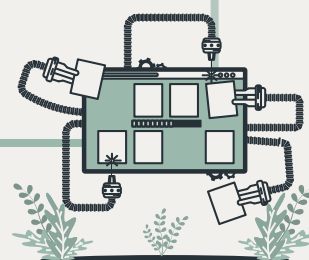

Manage who can access your organisation, services, and configurations. New users receive the Admin role by default.

Switch the Organisation

4

Authorised for multiple organisations in DCspine? Switch between them anytime via 'Select another Organisation'.

5

Manage Interconnects

Opened your ports to partner organisations? Approve their pending connection requests from your account.
