

160I/12 Insulated Screwdriver Set

Kraftform Plus - Series 100 VDE

EAN:	4013288139214	Size:	310x109x76 MM
Part Number:	05347900001	Weight:	867 G
Article Number:	160 i/12	Country of origin:	CZ
		Customs Tariff Number:	8205400000

- Insulated blades for secure work at 1,000 volts
- Smooth hard zones for high speed turning, soft grip zones for high torque transfer
- "Take it easy" tool finder: colour coding according to profile and size
- Hexagonal anti-roll feature against rolling away
- Conical blade

Wera VDE screwdrivers 12- piece set with multi-component Kraftform Plus handle for fast and smooth work: Hard handle zones for high working speeds, while soft handle zones guarantee a high torque transfer. Individually tested at 10,000 V for safe working at the approved voltage of 1,000 V. "Take it easy" tool finder with colour coding by profile and size stamping - for quick and easy identification of the required tool. The hexagonal anti-roll protection avoids bits from rolling away annoyingly at the workplace.

160I/12 Insulated Screwdriver Set

Kraftform Plus - Series 100 VDE

Individually tested

The individual testing at 10,000 volts, in accordance with IEC 60900, ensures safe working with loads up to 1,000 volts.

Reduced contact pressure

Wera Lasertip reduces the contact pressure required and enhances force transfer - meaning less screwdriving effort is required. Screwdriving becomes safer and easier.

Rapid hand repositioning

The hard materials used for the handle ensure rapid hand repositioning without any danger of the skin "sticking" to the handle. The surrounding hard zones with large diameters glide like wheels through the hand.

Lasertip prevents slipping out

It happens time and time again that the tip slips out of the screw head when screwdriving, sometimes damaging valuable surfaces or even causing injury. The tips of the Wera Lasertip screwdrivers are microscopically roughened by means of a laser. This rough surface literally "bites" itself firmly into the screw head. Slipping out becomes a thing of the past.

"Take it easy" Tool Finder

Screwdrivers with "Take it easy" tool finder: color coding according to profile and size stamp.

Impact strength test

Impact strength tested at -40°C, guaranteeing safety even under extreme conditions.

Prevents hand injuries

The outstanding design of the Kraftform handle that fits perfectly into the hand prevents hand injuries such as blisters and calluses.
