Crystallize Your Thinking:

A. Write the answers down by hand with a pen or marker. Be specific.

B. Write down the rewards for accomplishing each goal. "Picturize" enjoying the rewards!

C. Read your Goals 3 to 6 times per day. Feel how good it will feel to be "living" them.

"When the pen hits the paper, they're already DONE!"
– Chip Littlejohn, Master Distributor, Avini.

"When you write it down – you can have it!"
– Bruce Lipton, Neuroscientist.

"Impress images of what you want onto your subconscious mind. That's how you bring your desires into physical form."
– Robert Coallier, Success Author.
