FAST TRACK PLAN

1) **Get Started**
   -Place your activation pack order($499 or $999)
   -Determine your Why for joining Avini and set your desired destination- Write this down and share it with your Sponsor
   -Download the App and get the contact information for your enroller, sponsor, support, team leaders,social media

2) **Develop your Plan**
   -Start making your list of the first 25 people you will share Avini with
   -Schedule your Launch Event (first 15 days)
   -Start inviting for the event, phone and in person are the best (practice with your sponsor)
   -Share the video with those that can't make it and follow up(48 hours with a 3 way call)
   What did you like best about the video?
   What else do you need to know to get started?
   Which product in particular or what about the business? (Try to narrow down exactly what they need to know)

Not interested in the business, What products would you like to start using?

Who do you know that is health conscious or that might have an interest in the business?

Would it be OK if I kept in touch every 90 days or so to keep you updated on how things are going?

-Make plans to attend the next Avini event(Regional or Summit)

3) Run The Play

-Host your first Launch Event-Light finger foods, no alcohol, all products to look at and try, Quadfolds, Newsletters, Etc.- Push Play on the Video (Your Journey to a Better You), Tell your story, Have your upline team member there to help you in the beginning.

-Enroll at least 3 people in the first 30 days at the same activation pack as you. (Get your money back)

-Host your 2nd event within 30 days and start duplicating the Play-Your leader will be there with you every step of the way

4) Develop your 30 day, 60 day and 90 day story to

Help each of your members run the play in their first 30 days and find their 3 new distributors which allows them to get their money back. Start duplicating this process

throughout your entire organization. The goal for Duplication is to have several Launch Events going on In your organization around the country every day.
