FOUR PILLARS

AUSTRALIAN GIN
DISTILLERY

WELCOME TO FOUR PILLARS DISTILLERY

Four Pillars Distillery is the home of Four Pillars Gin, the world's most awarded (and most fun) craft gin producer. Our home is in Healesville, right at the heart of Melbourne's Yarra Valley.

We've recently opened what we're calling Healesville 2.0, a stunning expansion of our home, including a number of beautiful new gin-fuelled hospitality and event spaces.

But while that allows us to welcome more visitors to our home than ever before, we still encourage larger groups to book with us in advance so we can give you the best possible experience.

In this document we cover the ways you can enjoy the best of Four Pillars Distillery:

No.1_ Signature Gin Experiences (for groups of 10 to 26 pax)

No.2_ Food & Gin Drinks (for groups of 10 to 30 pax)

No.3_ Gin At Home (gifting & virtual)

NO.1_ SIGNATURE GIN EXPERIENCES

(GROUPS FROM 10 TO 26 PAX)

Every great Four Pillars experience should begin with one of our signature gin experiences.

These experiences are all hosted up in our private tasting and experiment distilling space, Coral's Loft, which overlooks our production area and stills. So you can learn about our gin while watching the distillery work.

After your gin experience you're welcome to kick on for food and gin drinks in Beth's Bar or Jude's Gin Garden.

We invite you to get up close and personal with the craft and flavours of our gin through our range of private events, guaranteed to please every gin lover*.

Our classes cater to all interests and engagement levels – from making, to learning to tasting – so, whether you'd like to get hands-on, or simply try channeling your inner bartender, our private events are a brilliant way to get amongst the gin fun.

*and maybe even convert a few vodka fanatics.
