LEADERS PAVE THEIR OWN PATH

Make way for the ultimate strongest model of the All New Fortuner. Complete with all the primary specifications, powered with 4x4 function.

Elegant Instrument Panel Design
Solid and sophisticated dashboard design with advanced instruments and excellently crafted black leather panels.

Safety Features

- **Downhill Assist Control (DAC)**: Maneuver vehicles safely during descents on steep or slippery surfaces.
- **Hill Assist Control (HAC)**: Prevents vehicle from rolling back on steep hills.
- **Hill Descent Control (HDC)**: More control during cornering.
- **Vehicle Stability Control (VSC)**: Assists the driver in recovering from wheel spin. If wheel spin is detected, braking is applied to the spinning wheel and driving force is distributed to the remaining wheels.
- **A-TRC**: Hazard warning lights automatically flash during emergency braking to help reduce the possibility of a rear collision.
- **Emergency Brake Signal (EBS)**: Improves vehicle stability during descent on steep or slippery surfaces.
- **SRS Airbag**: Dual + Knee + Side + Curtain shield airbags. Improved protection for passengers and interior damage of safety.
