I recently went on a trip to Gokarna with Dream Escape, and while the pricing was a bit higher compared to other providers, it was absolutely worth it for the exceptional service they offered.

The accommodation was beach-facing, offering a fabulous view of the ocean. The beach had a private feel to it, which made the overall vibe even more relaxing and special. Although there were a few insects in the room (which is to be expected in a coastal area), the stunning view and the serene atmosphere made up for it.

The food provided by them was delicious.

Overall, it was a memorable trip, and I am looking forward to booking many more adventures with Dream Escape in the future!
