Health Care SRK University

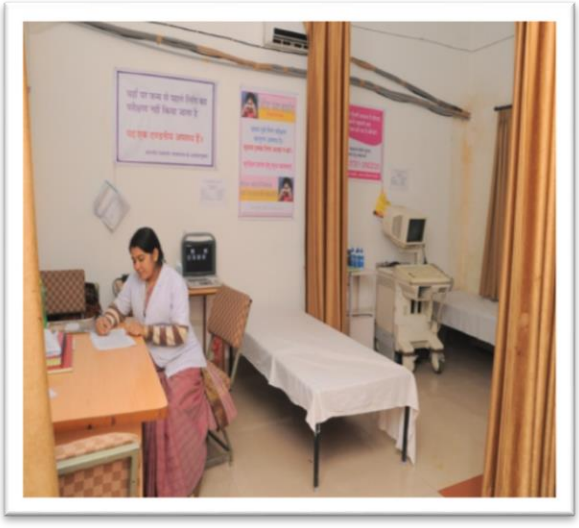

The institute provides health care to students, staff and their dependents within campus that includes first aid services and swift medical aid in an emergency. The severe cases are referred to RKDF Medical College Hospital & Research Centre Bhopal. Medical consultation and medicines are provided for basic disorders.

The health centre is manned by a medical officer and a healthcare assistant to provide excellent medical care to all the students, staff and faculty at no cost. The Medical Officer manages the various aspects of the facility. They provide quality health care to everyone, evaluates the quality of services, maintains the overall efficiency of the centre and decides the procedures to be followed in case of emergency. Also, vaccinations and yearly checks ups are done at this facility. In the future we look forward in expanding and bringing in high-tech medical equipments to serve better the students of our college.
