Service, Maintenance & Cents Per Kilometer (CPK) Maintenance Plans

ISUZU Maintenance Plans offer businesses the opportunity to reduce downtime, maximise cash flow by paying monthly for only kilometers driven, and improve profitability. Here's a breakdown to help differentiate:

SERVICE PLAN

Included in the Service Plan*:

- Minor and Major Scheduled Services
- All components as per ISUZU Motors schedule
- Peace of mind that tomorrow's services, including parts and labour, are covered at today's prices
- Paid upfront/in advance, whether financed or paid in cash for the term and kilometers selected

MAINTENANCE PLAN

Included in the Maintenance Plan**:

- Structured for each vehicle owner
- All scheduled services and unscheduled repairs
- Cover for major components when the vehicle is out of warranty
- Peace of mind that all services and wear & tear costs are taken care of
- Paid upfront/in advance, whether financed or paid in cash for the term and kilometers selected

CPK MAINTENANCE PLAN

Included in the CPK Maintenance Plan:

- Structured individually for each vehicle
- Companies only
- New trucks only
- All scheduled services and unscheduled repairs
- Major components when the vehicle is out of warranty
- Peace of mind that all services, wear and tear costs, and major components are taken care of for the selected term or kilometers (whichever is reached first)
- This Cents Per Kilometer Plan is paid monthly in arrears and billed according to the actual kilometers travelled
- No Rand value limitations
