The Information Technology Engineering Department, in association with INTENSA, of Goa College Of Engineering, Farmagudi, Goa organised the first edition of their intercollegiate event 'TechFluence 2k19 - Influenced By Technology'. It was a state level technical event that witnessed participation of students from colleges across the state. The two-day programme comprised of various technical events such as Invasion (Project Presentation) in association with Event Basket, UXExplorer, Code It, Brain Wars, Forager, Photography, Let The Design Speak, Meme On It, so on. There were two hands-on sessions for students on GITHUB Pages and SPARK AR respectively.

The Chief Guest for the inaugural function was Mr. Madhav Ranganekar, COO of SJ Innovation LLC. A Memorandum of Understanding (MoU) was signed between IT Department(GEC) and SJ Innovation LLC.

The event ended with a valedictory function presided over by Dr. Nilesh Fal Dessai, HOD, Information Technology Department, GEC.

Students of Shree Damodar College Of Commerce And Economics emerged as the overall winners.
