

To Whom it may concern

ROCKWOOL PRODUCTS

Quality

ROCKWOOL Technical Insulation has global responsibility for development, certification, marketing and sales of SeaRox products.

SeaRox products are manufactured in different ROCKWOOL factories across the world but always in accordance with product- and production specifications as issued by ROCKWOOL Technical Insulation.

ROCKWOOL Technical Insulation is continuously in contact with these factories to ensure homogeneous quality continuously. We therefore can confirm equality of performances by both mentioned products.

Kind regards

ROCKWOOL Technical Insulation
