

GARDA

Olio extra vergine di oliva

La Cavagnina

OLIVE OIL 2018-2019

The oil of the new harvest 2018/2019 has arrived. 6500 kg of olives, all nice and sound - lovingly collected by our 500 plants and brought every night in the oil mill from October 24 to November 12 - have become La Cavagnina extra virgin olive oil. Garda DOP certificate, as usual, and from now on also organic.

Green, lightly fruity, delicate, with notes of persistent sweet.

Very low acidity, as always (0.18%) and with a minimum oxidation threshold (5.4 Meq) at record level.

To be immediately compared with the oil of the 2017/2018 harvest.
