

2026 Speech-Language Pathology Professional Development Opportunities In California

1. SLP Summit Winter 2026 (Online)

Dates: January–February 2026

Location: Virtual

Link: <https://www.bethebrightest.com/en/events/slp-summit>

Description: A free or low-cost online CEU conference with short, practical sessions led by experienced clinicians. Ideal for school-based and medical SLPs preparing for the year ahead.

2. California SELPA SLP Regional Trainings

Dates: Ongoing throughout 2026 (including February 27, 2026 events)

Location: Various SELPA regions across California

Link: <https://www.cahelp.org/program-support-services/regional-services/speech/slp-training>

Description: Professional development workshops for school-based SLPs on AAC, assessment, intervention strategies, collaboration, and serving diverse learner needs.

3. CSHA Convergence 2026

Dates: March 12–15, 2026

Location: San Francisco, CA

Link: <https://www.csha.org/education-education-convergence/>

Description: California's largest statewide conference for speech, language, and hearing professionals. Includes research sessions, hands-on workshops, poster presentations, and CEUs covering a wide range of clinical topics.

4. ASHA Health Care Summit 2026

Date: April 18, 2026

Location: San Diego, CA

Link: <https://www.asha.org/slp/slp-calendar/>

Description: Focused on pediatric aerodigestive disorders, this summit provides specialized training and ASHA CEUs for medical SLPs working with complex feeding, swallowing, and airway cases.

5. FEES Certification and Medical SLP Workshops

Dates: April 11–12, 2026 and July 11, 2026

Location: Various California locations and virtual

Link: https://viethconsulting.com/Calendar/moreinfo.php?eventid=186913&org_id=MSCC

Description: Hands-on FEES training and advanced medical workshops for clinicians pursuing specialized swallowing and medical SLP competencies.

6. Medical Speech Pathology Council of California CEU Courses

Dates: Multiple sessions scheduled throughout 2026

Location: Virtual and in-person

Link: <https://www.msccslpceus.org/>

Description: Clinical CEU courses covering dysphagia, neurogenic disorders, ethics, documentation, and advanced medical practices. Designed for hospital-based, SNF, and rehab clinicians.

7. University-Sponsored SLP Workshops and Webinars

Dates: Early and mid-2026

Location: Virtual

Link: <https://www.pacific.edu/events/Speech-Language-Pathology>

Description: CEU-eligible sessions hosted by university programs, with content on literacy, multilingual learners, supervision, assessment, and specialty clinical skills.
