

# HOME DEFENSE

## TRAINING MATERIAL & OBJECTIVES

Instructors for Pineland Consulting have conducted training for U.S. and Allied military Units, Local, State and Federal law enforcement agencies with the goal of providing real world experience and solutions to the student.

On average, over one million home burglaries/Home Invasions happen annually in the U.S. Most taking place between 10:00 am to 3:00 pm. Are you home at this time? Your wife or children? Will someone be waiting when they come home?

Your first step, research and know your state's relevant laws and use-of-force. Know what you can do legally. Pineland Consulting teaches how to shoot, not when.

This course is designed for the person looking to develop self-reliance in the protection of their family and home, when something goes bump in the night or day. This is a multi option service that allows you to choose what best suits your needs to include in-home consultation, scenario based training in your home and firearms training on the range.

This program, utilizing our decades of security and close quarters combat training and experience, allows us to help you develop a plan specific to your home, needs and family safety. Course Coverage is included but definitely not limited to:

- Firearm Safety in the Home
- Weapons Handling
- Target ID/Decision Making
- Equipment Selection/Placement
- Use of Cover

**Course Expectations:** Students must show safe weapon handling at all times, demonstrate an understanding of all drills, scenarios and knowledge of fundamentals. By the end of training be able to demonstrate the ability to safely draw their pistol indoors and fire accurately within a reasonable time frame.

***\*All weapons and gear will be inspected prior to start of class.\****
