

RIFLE FUNDAMENTALS

TRAINING MATERIAL & OBJECTIVES

Instructors for Pine Land Consulting have conducted training for U.S. and Allied military Units, Local, State and Federal law enforcement agencies with the goal of providing real world experience and solutions to the student.

This 1 day, beginner friendly class, is designed to instruct the student in the use of the semi auto rifle, primarily the AR and Pistol Caliber Carbine (PCC). This course is tailored towards the beginner student with little or no prior experience and will instruct the student on the weapon system identification, assembly/disassembly, maintenance, care and most importantly safe and proficient use. This course will provide the student a solid foundation of skills to build on as they develop competence and confidence with the rifle. The AR style platform is the most prolific rifle in the United States followed closely by the Pistol Caliber Carbine(PCC). This course will utilize practical instruction to address the following:

- Parts Nomenclature
- Weapon Operation & Handling
- Firearm Safety
- Weapon Zero
- Target ID
- Realistic Time and Accuracy Standards
- Assembly/Disassembly
- Weapons Maintenance
- Fundamentals of Marksmanship
- Safe Loading & Unloading
- Reloads
- Equipment Selection/Placement

Course Expectations: Students must show safe weapon handling at all times, demonstrate an understanding of all drills, scenarios and knowledge of fundamentals.

****All weapons, ammo and gear will be inspected prior to start of class.****

Equipment needed:

- A Well-Maintained, Operational Rifle or PCC
- 2 Magazines
- Eye and Ear Protection (Electronic Hearing Protection Preferred)
- Weather Appropriate Clothing - No Tank Tops/Sleeveless Shirts, Shorts, or Open Toe Shoes
- Weapon Cleaning Equipment
- 500 Rounds of Ammunition Specific To Your Weapon
