

Diamond

70% PL 20% VI 10% LUREX

 138 cm - 54.33"

 48,50 cm - 19.09"

The luster of a diamond and the refinement of a unique texture. Timeless design of classical inspiration it's in fact, an absolute contemporary. The metal threads in Lurex accentuate and enrich the motif. While additional plots help to create tricks of lights matt/shiny on the background.
