

A warm, inviting living room scene. On the left, a built-in wooden bookshelf is filled with books, vases, and small plants. In the center, a fireplace with a warm fire is set into a light-colored wall. To the right, a large window is covered with sheer, light-colored curtains, allowing soft sunlight to filter through. In the foreground, a round wooden coffee table holds a few books, a small vase with greenery, and a bowl of snacks. Two sofas, one in olive green and one in light beige, are adorned with patterned and solid-colored cushions. The overall atmosphere is peaceful and comfortable.

*SEATTLE &
SEATTLE
NEW SHADES.*

Seattle is made with linen for softness and a natural feel, and polyester to provide longevity and quality drape. Seattle has 20 well-considered colour options.

Designed to complement a wide range of interiors, from modern coastal to boutique commercial spaces. Seattle's soft handle and quality drape create a luxurious window furnishing that feels elevated yet approachable, making it ideal for both sheer layering and standalone applications.

The 2026 new release of Seattle includes improved colour options, better suited to current and predicted trends in Australia and New Zealand.
