ABOUT ME

I am CS Shivani Gupta, a seasoned mentor and corporate strategist with extensive experience in guiding startups and early-stage ventures through the complexities of regulatory compliance, tax optimization, and government incentive programs. I specialize in helping entrepreneurs navigate Startup India recognition, secure 80-IAC tax exemptions, and access government grants, enabling them to focus on innovation, growth, and operational excellence.

With a hands-on approach, I combine strategic guidance with practical mentorship, ensuring startups are not only compliant but also positioned to maximize benefits and achieve sustainable growth. My experience spans multiple sectors, giving me a broad perspective on startup challenges and opportunities.

NEW

I registered a Nidhi company through Neusource on last year and that work assigned to CS Shivani. Shivani ji really a good and helpful person who guide us in all the possible ways and always update us about all new Nidhi rules and regulations. She is very knowledgeable about Nidhi Limited process. Thank you CS Shivani ji and Neusource to help us to run our business smoothly.

Thanks a lot shivani for being so polite and explaining everything that i has asked u always and handling with patience.
Hatsoff to the closure by you

Thankyou sir 🙏 14:28 ✓✓

A special shout-out to CS Shivani, whose clarity, responsiveness, and dedication made the entire process smooth and hassle-free. She was always approachable and guided us with great patience and expertise. Team is professional, proactive, and truly committed to helping startups grow.

Also, a big thank you to Ma'am for her support and leadership. Her insights and encouragement throughout our journey were truly motivating.

Highly recommend Neusource for anyone looking to start or scale their business with the right guidance and legal support!
